# SMILY FACE PROJECT

Create a “Have a Nice Day” Smiley that has some sort of theme. Challenge yourself to include gradients, feathering, or transparency. Your smiley should have lots of shapes. You must also add a slogan to your smiley with an appropriate font. The slogan should be a variation on the “Have a Nice Day” slogan, based on your theme. The font should match your theme and still be readable. You must include a Theme, a slogan with appropriate font, a pattern, a gradient, and a transparency.
