# To Export just your Final Smiley Face Image:

1. Create a 2nd Art board using the Art Board tool (shift + O),
2. Select your Smiley Face and slogan and Cop (Cmmd + C) and then Paster (Cmmd + V) onto the new artboard.

3. File > Export > Export for Screens
4. Uncheck the box with Artboard 1 and make sure to select PNG for your format.
5. Click Export Artboard. The Finder window will pop up with your PNG image. Move this to your folder to save.
